ABOUT 88 TACTICAL

---

## 88 TACTICAL IS AN ELITE TRAINING ORGANIZATION FOCUSED ON HELPING INDIVIDUALS, FAMILIES, EMERGENCY SERVICES WORKERS, AND MILITARY MEMBERS DEVELOP THE CONFIDENCE AND ABILITY TO DEAL WITH ANY SITUATION OR CRISIS.

Our cadre is a highly credentialed and heavily vetted group of professionals from the special operations military, law enforcement, fire and rescue, and civilian training sectors who have dedicated their lives to serving, and more importantly, preparing the public and others to prevail.

We recognize that the first person capable of acting is the true “first responder,” and having a prepared and willing population is one of the bedrocks of our great nation. Because of this, 88 Tactical offers an unrivaled broad range of instruction in firearms, self-defense, anti-bullying, combat fitness, self-rescue, field medicine, bushcraft and survival, and other tactical disciplines.

**PREPARE YOURSELF FOR THIS FAST PACED COURSE THAT FOCUSES ON ENGAGEMENTS WHICH OCCUR IN AND AROUND VEHICLES. STUDENTS WILL BE EXPOSED TO ACCELERATED WEAPONS HANDLING IN COMPRESSED ENVIRONMENTS AND PROBLEM SOLVING IN RELATION TO VEHICLE BASED WORK.**

### **COURSE DETAILS**

Vehicle CQB™ is an accelerated shooting course focused on problem solving during close range, sudden, high intensity engagements in and around vehicles. Students will push their tactical and shooting skills while working alone and as a two person team maneuvering around various cars and trucks in a 3D environment. Drills will incorporate threat identification, non-traditional shooting platforms, and spontaneous weapons manipulations while engaging threats, in, around, over, under and from within vehicles. The course includes live ballistic demos with a variety of ammunition to demonstrate the myths and realities of shooting through various vehicle mediums. This course will have long days so please be prepared.

## LE/MIL INSTRUCTOR LEVEL

**4-Days** | Handgun & Rifle

Eligibility: Recognized Instructor Level Certification in firearms or CQB

## OPEN ENROLLMENT

**2-Days** | Restricted to Handgun Only

Eligibility: Students must demonstrate solid safety and marksmanship skills at an intermediate to an advanced level. This is not a basic course.

## TOPICS COVERED

- Adverse positional shooting techniques
- Critical weapon employment in compressed environments
- Vehicle ballistics
- Team movement with multiple threat engagement
- VCQB™ Instructional Material/ Videos and Lesson Plans
- Force on Force Engagements

**88 Tactical** and **Firelance Media** are excited to offer a full-length feature video of Vehicle CQB™. Hundreds of hours of high definition, intense course action edited into a must see visual experience.

CURRICULUM CREATOR

**WILLIAM PETTY**

NATIONAL DIRECTOR OF  
LAW ENFORCEMENT

Officer William Petty began his Law Enforcement career in 2003 in Albuquerque, NM. While there he served as a Firearms and Tactics Instructor, an Emergency Response Team member, and on the department shooting team. In 2011, Petty relocated to Abu Dhabi, United Arab Emirates where he worked as a Counter Terrorism Instructor with the Critical National Infrastructure Authority. Currently, Petty is assigned to patrol and is an active Instructor for the TTPOA, OTOA, and several regional Police Academies. His VCQB™, Low Light and Instructor Development programs have been adopted by scores of departments across the US and Canada.
