FOUNDERS SELECT MEMBERS

WHAT IS COST+?

COST+ is our new, exclusive **Select Membership** benefit. With this, Founders Select members can now purchase any item in the Pro Shop—including guns and ammo—at our Cost. Members can also purchase well drinks, house wines and a rotating beer selection in the Founders Club for just \$1 each, every day.

No, we haven't gone crazy. We simply want to show our appreciation for our top-level members. This one-of-a-kind benefit isn't an add on, we're offering it as part of the Select Membership at **no extra cost**. With the new COST+ program, the amount you'll be saving on purchases can easily outweigh the monthly dues—and there's no initiation fee.

“You won't be able to find cheaper prices anywhere on the items we sell — locally, or online.”

IF COST+ ISN'T ENOUGH TO JOIN AS A MEMBER

While COST+ is our biggest membership benefit yet, we have much more to offer, including a private shooting range, incredible classes, fine dining, exclusive events and entertainment. For a full list of membership benefits and pricing information, visit **88tactical.com**.

ATTENTION NEW MEMBERS! Stop by, sign up, and start saving.
