BREAKING GROUND SUMMER 2019

## ABOUT 88 TACTICAL

AN ELITE TRAINING ORGANIZATION & GUNTRY CLUB

88 Tactical is multifaceted organization that offers top-level training courses for civilians as well as law enforcement and military personnel; it's also a family-centric community that teaches life-saving skills, cultivates confidence and provides a unique entertainment experience.

Our social atmosphere, training classes, events and activities give people of all ages and experience levels the opportunity to learn new skills, bond and create lifelong memories. A long list of services and amenities at our world-class facilities have formed a one-of-a-kind Guntry Club.

The background of the slide features a detailed architectural floor plan of a building interior. The plan shows various rooms and corridors, with labels such as 'RETAIL CASEWORK, OFOI', 'FO MAS', 'CORRIDOR 114', and 'ALCOVE 114'. There are also room numbers like '55 A11.1', '106', '114A', and '123'. The plan includes dimensions and structural elements like walls, doors, and stairs. The overall style is technical and precise, typical of architectural drawings.

# FUTURE PLANS

## GROWTH & EXPANSION

88 Tactical partnered with City+Ventures in 2017 with the hope of transforming its visionary business model into a nationwide success. City Ventures was recently ranked #915 in the 2018 Inc. 5000 list. The annual list reports the fastest-growing companies in America. City+Ventures received two additional honors – a fourth place ranking in not only the Omaha and Council Bluffs metro area, but the entire state of Nebraska. City+Ventures is also currently undertaking the \$200 million La Vista City Centre project.

88 Tactical is poised for incredible growth, and plans are already underway. These plans include an expansion project for the Range & Readiness Center in Omaha as well as building branch locations in over 50 cities around the country, starting with Kansas City — *we just closed on the land!*

The expansion will add a 24-hour fitness center, 50-yard shooting lanes, a new Founders Club sports bar and more. The facilities at future branch locations will be even larger than the Omaha headquarters.
